HELMET CLARIFICATION FORM FOR RIDING TRICYCLES

Tricycles: Appropriate safety helmets are often worn when children ride tricycles at their residence. There is no law that requires preschoolers to wear helmets when they ride tricycles. In our experience, we do not have a large enough area to ride trikes fast and the children are young.

However, we want to respect your judgment and routine if you want your child to wear a helmet while riding tricycles. If opting to wear a helmet, children must bring a labeled helmet and keep it at school. Please be sure your child is familiar with how to put it on and fasten. We will not allow children to wear other children's helmets. Please mark your preference.

- Please wear the helmet** I have provided when my child rides a tricycle.
- Please allow my child to **ride tricycles without a helmet.**
